Sir,

A. J. Arbuthnot Esqre,
Director of Public Instruction,

&c. &c. &c.

I have the honor
to acknowledge the receipt
of your Circular No. 1 of
the 11th Instant
requesting for the
information thereof given relative
to the Circuit Tuitions in the
case of the Hon. Major Crofton
of Land and Sale Inspectors
of Road Securities and
Police in the Province of Otago.

2. Secures to the
Principal of the Provincial
College during the
absence of Officers of the
Department of Public Instruction
(who are employed in teaching
during the authorized vacations)
their salaries in
consideration of retaining
the entire of their
services. - Their case, (and of
officers, must be treated
differently from that of other
public Officers. - Consid-
=eration of their salaries,
being periodically paid
during a portion of the year,
they are debarred from
obtaining

obtaining privilege leave
of other periods and occa-
=sionally no doubt this
restriction must fall
on them some inconvenience.
It may happen that a
Professor or School Master
who has particular
time of from duties
during the authorized vacation
may be obliged by private
business to absent himself
his College or School during
and to forfeit his
salary during his absence,
however short the duration
and however long he may
have been previously without
such

case of course will be
of very rare occurrence
and do not in any way
affect the propriety of the
rule under which the absence
of School Masters without
loss of salary is restricted
to certain fixed periods, but
the probability of their occurrence
appears to me sufficient
decisive that the absence
of teachers during the au-
=rize d vacations should not
be taken cognizance of by
the Audit Office so that
the privilege of being in actu-
=ally absent during each of
periods, without forfeiture
of salary, may be

Considered

Considered for the loss of
the privilege which is
usually accorded in other
branches of the Public Service
of reckoning the period of
privilege leave.

3. With reference to
the 3rd question, I am clearly
of opinion that the Professors
of Law is entitled to be
absent during the discon-
=tinuance of the Law Lectures
for the salary is fixed and
cannot be less that of the
other Professors, on the
assumption that his Lectures
will be gone over and that
he will attend once some
what after periods of the
year known of his other Professor-
