No. 14. From S. D. BIRCH, Esq., Sub-Treasurer; to T. PYCROFT, Esq., Chief Secretary to Government, dated 14th October 1858, No. 640.

SIR,

I do myself the honor to represent that the Large Tripod Scale with Weights, belonging to the General Treasury, have become worn out from long usage and cannot be depended upon. This Office has, in consequence, been put to considerable inconvenience when required to ascertain the gross weight of Boxes containing Treasure, requiring shipment, or awaiting transmission by Rail, and in the latter case the weight of the Boxes, as charged for by the Railway Authorities receives no satisfactory check, I have therefore to request that you will have the goodness to obtain the sanction of Government for my procuring a Platform Weighing Machine, which I can at present purchase from Messrs. Short, Brothers and Co. of the Mount Road, the cost not exceeding Rupees (80) Eighty.

To weigh 5 Cwt.

No. 15. ORDER THEREON, No. 700; dated 25th October 1858.
