No. 7. To THOMAS PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 22nd September 1858, No. 2662.

The humble address of Danacotty Ammal and Comalummal, 2 Widows of the late C. Appasamy Moodelliar.

MOST RESPECTFULLY SHEWETH,

That their husband C. Appasamy Modelliar, Head Writer in the Office of the Superintendent and Agent for Army Clothing, departed this life on the 7th April 1858, and at his last moment informed the addressers in the presence of his Cousin C. Bashea Modelly and his Brother-in-law V. Allagasinga Modelly, that he deposited in the Government Savings Bank a sum of Rupees 580 or thereabout, which amount, he expressed, to be drawn and appropriated for the support of his 2 wives, for the education of his 4 sons, and the marriage expenses of his 2 daughters. As their poor husband revealed this matter a few minutes before his demise, it was very inconvenient for them to obtain his signature to the Savings Bank Book. The 2 widows with much regret and deep sorrow beg to bring to your honor's kind and charitable notice that their eldest son C. Soondrum is aged 17, 2nd son aged 14, 3rd son aged 9, and the 4th son aged 8, 1st daughter aged 15 and 2nd daughter aged 8, and the only Fund left in the Savings Bank is not in any way adequate to cover the expenses pointed out by their husband, your addressers suffer much with the confused state of circumstances. They have no help from any other source and have already borrowed a sum of Rupees 250 to defray the funeral expense of their husband and the marriage Ceremony of their 1st daughter on the 21st June last, under the promise to the creditors that they will be paid soon after the withdrawal of the amount from the Bank.

2. Your addressers tendered an application on the 30th April last, to Mr. Clarke, Actuary, Government Savings Bank, soliciting him to pay them the amount after fully satisfying himself that they are the legal parties entitled to draw it by a strict enquiry with the respectable and opulent men who are their neighbours in Egmore and holding Government situations, whom your addressers also stated that they shall be happy to produce, should they be required. In the event of any suspicion arising to pay the amount on the responsibility of women, your addressers also mentioned that they will produce any 2 respectable Gentlemen of their relations holding Government Employ to guarantee for the amount. To your addressers' greatest misfortune and sorrow they were informed in this time of distress and famine that the Fund being in excess to 500 Rupees will not be paid to them unless Power of Administration is obtained, your addressers are reduced to the extreme state of poverty by the sudden death of their husband who was in receipt of 70 Rupees salary and are even quite unable to carry on their means of subsistence and support their children in this time of scarcity, while so, how could it be possible for your honor's addressers to spend Rupees 500 or thereabout to obtain Power of Administration to draw Rupees 80 from the Bank after deducting Court expenses, your addressers have already borrowed Rupees 300 for the purposes referred to in the 1st para: and their monthly maintenance. Should the measure be put into effect your addressers and their infant helpless children will be certainly reduced to beggary and moreover liable to troubles by their creditors. As the Regulation with regard to the Power of Administration not being laid down with the other Rules published in the Government Savings Bank Book, your addressers' husband was not therefore aware of the same, otherwise there would be no occasion to disturb your unbounded goodness.

Consequently your humble addressers beg most respectfully that your honor will in consideration of their pitiful circumstances and those of their children be pleased to cast your compassionate eyes on this poor address and order the Actuary Government Savings Bank to pay the amount specially under the conditions mentioned in the 2nd para: without subjecting your honor's addressers to any unnecessary expenses.

This act of charity on the part of your poor addressers will ever and ever be commemorated by them with a deep sense of gratitude.

No. 9. From J. R. BOYSON, Esq., Honorable Company's Solicitor; to the Chief Secretary to Government, Fort Saint George, dated 28th October 1858, No. 560.

SIR,

1. I have the honor to return the papers noted in the margin.
2. The amount at credit of the Estate of C. Appasawmy Moodelliar with the Government Savings' Bank, on the 25th Instant, was Rupees 603-14-9.
3. Act XXVI of 1855 authorizes the Secretary of any Government Savings' Bank where neither Probates of Will, Letters of Administration, or Certificate, under Act XX of 1841, or Section 4 of Act X of 1851, shall have been produced to him, within the period of two months

Application of Donacotty Ammall, and Comalummall, (the Widows of the late C. Appasawmy Moodelliar,) to Government, dated 22nd September 1858, and Order of Government thereon, No. 2662 of 1858.

Application of the same parties to Government, dated 24th September 1858, and Order of Government thereon, No. 2685 of 1858.

Section 4 of Act X of 1851, shall have been produced to him, within the period of two months

from the time of the death of any Depositor to pay any sum of money at credit of any such deceased, not exceeding 500 Rupees, "to any person or persons who shall appear to him to be entitled to receive the same or to administer the effects of the deceased."

Section I.

4. As the amount at credit of C. Appasawmy's Estate exceeds 500 Rupees the provisions of Act XXVI of 1855, do not apply, and I do not see any method by which Government can assist the Petitioners excepting by treating their case as a special one and expressly authorizing and directing the Secretary to the Savings' Bank to pay the amount in question (using the words of the Act above quoted,) "to any person or persons who shall appear to him to be entitled to receive the same or to administer the effects of the deceased," without the production of any such Probates, Letters of Administration, or Certificate, as before mentioned.

5. I think however that it would be *very* inexpedient and undesirable for Government to adopt this course as it would establish a most inconvenient precedent which might be urged in numerous cases of a similar character and would tend to unsettle the well known and recognized Law and the practice that has hitherto prevailed.

6. I would therefore recommend that the Petitioners be informed that Government cannot interfere in the matter and that they (the Petitioners) must act as they may be advised.

7. The Petitioners are in error in stating that the cost of obtaining Letters of Administration would be "500 Rupees or thereabout." The expense would probably be from 265 to 275 Rupees.

No. 10. ORDER THEREON, No. 726; dated 8th November 1858.

The sum in the Savings' Bank to the credit of the Estate of Petitioners' husband C. Appasawmy Moodelly, deceased, is Rupees 603-14-9, and the cost of Letters of Administration would be Rupees 275. The Government authorise the Secretary to the Savings' Bank to pay the amount to any person or persons who shall appear to him to be entitled to receive the same, or to administer the effects of the deceased, without the production of any Probate, Letters of Administration, or Certificate.

From The Honorable Company's Solicitor -
To The Chief Secretary to Government

Madras October 28th 1858

Sir,

1. I have the honor to return the papers noted in the margin

Application of Danacoty Ammal and Comalummall (the widows of the late Cappa Saunmy moodellear) to Government dated 22nd Sept^r 1858 and Order of Government thereon No 2662 of 1858 -
Application of the same parties to Government dated 24th Sept^r 1858 and Order of Government thereon No 2686 of 1858 -

2. The amount at Credit of the Estate of Cappa Saunmy moodellear with the Government Savings Bank on the 25th instant was Rupees 603. 14. 9.

3. Act xxvi of 1855 authorized the Secretary of any Government Savings Bank where neither Probate of Will, Letters of Administration or Certificate under Act xx of 1841 or Section 4 of Act x of 1851 shall have been produced to him within the

period of two months from the time of the death of any Depositor to pay any sum of money at Credit of any such deceased, not exceeding 500 Rupees, to any person or persons who shall appear to him to be entitled to receive the same or to administer the effects of the deceased.

Section 1.

4. As the amount at Credit of Cappa Saunmy's Estate exceed 500 Rupees the provision of Act xxvi of 1855 do not apply and I do not see any method by which Government can assist the Petitioners excepting by treating their case as a special one and expressly authorizing and directing the Secretary to the Savings Bank to pay the amount in question (using the words of the Act above quoted) "to any person

"person or persons who shall appear to him to be
entitled to receive the same or to administer the
effects of the deceased" without the production of
any such Probate Letters of Administration or
Certificate as before mentioned.

5. I think however that it would be very
inexpedient and undesirable for Government to adopt
this course as it would establish a most inconvenient
precedent which might be urged in numerous in-
stances of a similar character and would tend to un-
settle the well known and recognized Law and the
practice that has hitherto prevailed.

6. I would therefore recommend that the
Petitioners be informed that Government cannot
interfere in the matter and that they (the
Petitioners) must act as they may be advised.

7. The Petitioners are in error in stating that
the Cost of obtaining Letters of Administration would
be "500 Rupees or thereabouts" The expense would
probably be from 265 to 275 Rupees.

I have the honor to be,

Yours most obedient servant.
