SIR,

I am directed by the Right Honorable the Governor General to request that whenever it becomes necessary for the Government to institute proceedings against any holders of Government Securities, suspected of rebellion against the State, or whenever there is a probability that such proceedings will be taken, you will, with all practicable expedition, inform the Honorable the President of the Council of India in Council, that such proceedings have commenced or that they are likely to take place.

2. I am to add, that no delay should occur in expediting proceedings against men of note beyond what may be necessary for preparation of evidence, &c., after once a trial is judged necessary. It is, in His Lordship's opinion, most desirable on every account that such cases should be decided as quickly as possible.
