*Proceedings of the Madras Government, Financial Department,
from 11th to 17th May 1859.*

No. 12. Read the following letter from G. L. PRENDERGAST, Esq., Accountant General; to the Chief Secretary to Government, dated 14th May 1859, No. 28.

With reference to the order of Government dated the 9th instant, No. 261, directing that immediate steps be taken for sending to Bombay as large a supply of Copper Coin as can be spared for transmission to the Punjaub, I have the honor to state that the Sub-Treasurer has been instructed to pack up the Copper Coin specified in the margin* and to hold the same in readiness for immediate shipment to Bombay. I addressed the Superintendent of Marine at the same time, requesting him to make arrangements for having the same shipped at the earliest possible date.

* Half anna pieces	Rupees	1,00,000
Quarter do.	"	40,000
Single pie pieces	"	10,000
		Rupees 1,50,000

I am informed by the Superintendent of Marine that there is no likelihood of a Government Steamer proceeding to

Bombay at an early date, and he therefore recommends that the Copper Coins should be sent by the next P. and O. Steamer *via* Galle.

* Expected to arrive here on or about the 22nd instant.

I beg to be favored with the orders of Government as to whether the supply of Copper Coins in question shall be sent by the next P. and O. Steamer from Calcutta,* as recommended by the Superintendent of Marine.

No. 13.

ORDER THEREON, 17th May 1859, No. 282.

The Government direct that the Copper Coin in question be forwarded to Bombay by the P. and O. Steamer if there be no early opportunity of forwarding it by a Government Vessel.
