Fort St. George, Judicial Consultation, 8th March 1859.

No. 31. Read the following letter from H. L. ANDERSON, Esq., Secretary to Government of Bombay; to the Secretary to the Government of Fort Saint George, dated 9th February 1859, No. 485.

Judicial Department.

SIR,

I am desired to transmit to you the accompanying copy of a letter from the Inspector General of Prisons, dated 29th January last, No. 123, with enclosure, and to request you will be so good as to inform this Government of the wishes of the Right Honorable the Governor in Council of Madras in regard to the forty-six prisoners alluded to.

From A. BETTINGTON, Esq., Inspector General of Prisons; to the Judicial Secretary to Government, Bombay, dated Poonah, 29th January 1859, No. 123.

SIR,

I have the honor to forward for submission to Government an original Return (to be returned at convenience) from the Session Judge of Dharwar.

46. 2. It will be noted that of the whole number of these Convicts forty-six belong to the Madras Presidency, tried and sentenced for offences committed within that territory.

3. They were sent to Dharwar, because it was impossible at the time to send them to the Madras Coast or lodge them in any secure place of confinement in Upper Canara.

4. I request the instructions of Government as to the disposal of these Convicts, many of whom, it will be observed, are under sentences for long periods. Are they to remain at Dharwar or be transferred to the District to which they properly belong, if they are to be retained at Dharwar, is the Madras Government to be debited for the charges of their maintenance.

Half-Yearly Statement of Prisoners convicted of being concerned in the recent disturbances in the S. M. Country and North Canara, undergoing their sentence in the Dharwar Jail.

No: 144 of 1859.

No 69 36

From V. R. Levinge Esq^r
Acting Magistrate
To T. Pycroft Esq^r
Chief Secretary to Government
Fort Saint George

Sir,

Para 1. As directed in Para 36 Extract Minutes of Consultation dated 28th January 1859, I have the honor to report, that the Pagoda Servants are very numerous, and that I was not able to bring a charge of rioting, or stone throwing, against any one of them. The Pagoda has several entrances, and a great number of people got into it, had the Servants even the wish to do so, they could not have turned out the intruders. On being severally questioned, the Servants, of course, either declared they were absent that day

day, or could not name any of the mob.
The Durmakurtha who should be an-
swerable, and who is a respectable
man, and who, I am sure did not,
and would not, countenance the rioting,
has very little authority over the
Servants; he was not at the Pagoda
that day, and could not himself
give any testimony regarding their
conduct. I found, during my enquiry
that when any accusation was made,
it was to be supported by very
doubtful testimony, and that the
party accused was either at en-
mity with the Accuser, or was a
moneyed man accused, apparently,
for the purpose of drawing on him.
I therefore dropped the enquiry
as far as the Pagoda Servants were
concerned, being certain that the
lesson they had received was suf-
ficient. Several of the house holders
who have been held to security are
Pagoda

no drawing
deposed -
I suppose the
original is
meant

For order.

From Acting Magistrate of Junevelly
dated 18 Febry 1859.

The only question on which order seems
to be required is that respecting the
Arrest of Police -
In Mr. Jennings's letter of 12 Dec
last he stated - para 4 - that he had
suspended this man from all pay or
allowance for his behavior on the first
affair of Dec 10-11 -

The first 2nd 28 Jan 1859 - para
36. awaited for the report -
JPP

25 - 2 - 59

The conduct of his kind of politics
appears to have been very bad. He was
not fairly to be degraded & humiliated
immediately - if not altogether satisfied
the result.

I consider that the House of the
Police really merit disapproval.
Nothing could be worse than his
conduct as revealed in the concluding
part of Mr. Seering's letter.

I am desirous of him
