Extract from the Minutes of Consultation, 23rd February 1859.

Read letter from the Acting Assistant Quarter Master General of the Army, 14th February 1859, No. 53; to the Secretary to Government, Military Department.

Adverting to Extract Minutes* of Consultation No. 1597, dated 12th November 1858, and to letter† from the Quarter Master General of the Army, forwarding a communication from Brigadier FitzGerald, Commanding Malabar and Canara, regarding the establishment of a permanent Military post at Jugglepett in the Soopah District,—I have the honor, by desire of His Excellency the Commander-in-Chief to state, that in a letter since received from the Brigadier on the same subject, he recommends, that if the Frontier Police be not fully armed and made an efficient Force as now existing on the Bombay Frontier, a Detachment of regular Troops may be stationed at Jugglepett, but that under any circumstances suitable Barracks, Magazine, &c., should be built,—In any case he most earnestly recommends that on the first erection of these Buildings regard should be paid to their defensive character, and command of water, thus giving confidence on any outbreak, enabling a small Force to hold the post in safety, allowing thereby a larger Force to be detached to any point in case of necessity—His Excellency quite agrees with the Brigadier as to the necessity of buildings such as he suggests being erected—I am therefore desired to request, you will submit the matter for the consideration of Government, in order, that if approved, instructions may be given to the Chief Engineer to furnish Plan and Estimates, for Barracks, Hospital and Magazine, for the accommodation of such Troops, as it may be determined to locate at Jugglepett.
