*Proceedings of the Madras Government, Financial Department,
from 16th to 22nd July 1859.*

No. 5. Read the following Official Memorandum from G. L. PRENDERGAST, Esq., Accountant General; to the Chief Secretary to Government, Fort Saint George, dated 6th July 1859, No. 95.

1. The Accountant General has the honor to request that, the Chief Secretary to Government will be good enough to inform him, whether the Mounted Police Force is still regarded as a *Temporary* Establishment. This information is necessary to enable this Office to determine to what head the charges on that account should be debited in the prospective estimate for 1859-60, now under preparation.

2. The Accountant General further requests that the Chief Secretary will be good enough to state, whether any, and what, provision should be made in the prospective estimate on account of improving the Tahsildar's salaries, and of increase to the Establishment of District Moonsiffs, adverted to in the Official Memorandum of the Chief Secretary, dated the 13th January last, No. 20.

3. It is at the same time requested that the Memorandum of anticipated increase of expenditure in 1860-61 solicited in the Accountant General's Memorandum of the 11th ultimo, No. 58, may be furnished. The Memorandum from the Chief Secretary dated 20th ultimo, No. 268, Financial Department, has not referred to the expenditure of 1860-61.

No. 6. Official Memorandum from the Chief Secretary to Government, Fort Saint George, dated 18th July 1859, No. 391.

The Chief Secretary to Government has the honor to inform the Accountant General, in reference to his Memorandum dated the 6th instant, No. 95, that no further correspondence has ensued with the Government of India respecting the continuance of the Mounted Police Force at the Presidency; but that it may be regarded as permanent, as it must be kept up.

2. It does not seem necessary that any provision should be made in the prospective estimate on account of the proposed improvement of Tahsildars' salaries and increase to the Establishment of District Moonsiffs; nor does it appear that any increase of expenditure in the Civil Department is likely to take place in 1860-61, except in the Mofussil Police of which no estimate can now be formed.

(Signed) T. PYCROFT,
Chief Secretary.
