*Proceedings of the Madras Government, Financial Department,
from 23rd to 29th July 1859.*

No. 15. Read the following letter from J. L. LUSHINGTON, Esq., Civil Auditor; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 19th July 1859, No. 501.

I have the honor to submit, in original, an application from Mr. J. E. D'Monte, the Head Accountant of my office, for the purpose of being laid before Government, in view to their orders being obtained thereon.

There are no rules under which this application can be treated, but I believe that leave under Section VIII is frequently granted by Heads of Offices, which I believe to be wrong. In the absence, therefore, of specific orders, I request that the orders of Government may be obtained as early as possible.

From MR. J. E. D'MONTE; to J. L. LUSHINGTON, Esq., Civil Auditor, dated 19th July 1859.

I beg to inform you that I have been appointed Manager of the Inam Commissioner's office.

You are aware that the Inam Commission is of a temporary nature, and as my only object in wishing to join it, at the sacrifice of a permanent appointment, is to gain a practical knowledge of Revenue matters, I respectfully beg you will be so kind as to grant me six months' leave, with forfeiture of full pay, to enable me to qualify myself in the vernacular which is required of me, to translate documents, &c.

My attainments in the English branch, I flatter myself, bid fair the indulgence of a hope of success, but my deficiency in the vernacular of this country, requires time for preparation, the only vernacular that I know, being Oordoo and Persian, qualifications, which are rarely called for in this part of Hindoostan.

I am aware there are no rules under which this request can be specially treated; but numerous precedents can be pointed out. For instance, there are certain Deputy Collectors of the lower grade who have been provisionally appointed, under the condition of passing an examination in the vernacular within six months, which, if they do not pass, it is presumed, will make them unqualified for the appointment, and, as a necessary consequence, compel their return to their original posts inevitable.

Though I cannot say that my case is strictly analogous to the above, yet there are circumstances connected with it, which lead me to hope that a similar indulgence might be extended to me also.

No. 16. ORDER THEREON, 26th July 1859, No. 412.

It does not appear to Government that the case which has been referred by the Civil Auditor is one falling under the Uncovenanted Service Absentee Rules.

2. Mr. D'Monte does not seek leave of absence *from duty*. He wishes, as the Government understand him, to serve as Manager in the Inam Commissioner's office for a period of six months, and at the expiration of that time to have the option of continuing with the Inam Commissioner or of reverting to his post in the Civil Audit Office.

3. If the Inam Commissioner be willing to employ Mr D'Monte on these terms, and if the Civil Auditor does not object to the arrangement, it may be allowed. No additional expence will of course be incurred, as Mr. D'Monte will draw no pay from the Civil Audit Office during his absence, but will receive the salary of the Manager of the office of the Inam Commissioner.

4. Mr. D'Monte, it is observed, speaks of the Inam Commission as being "of a temporary nature, and states that his only object in wishing to join it at the sacrifice of a permanent appointment, is to gain a practical knowledge of Revenue matters." If by this he means that he intends to accept the appointment as a means of qualifying himself in Revenue matters, and that as soon as he has gained fiscal knowledge and experience, he will seek to leave it for employment in some

other Revenue Office, Mr. Taylor may hesitate to engage him, with a prospect of losing his services just when they have become valuable. Copy of Mr. D'Monte's letter will, however, be furnished to him, and he can act on his own discretion in the matter.
