No. 578.

Extract from the Minutes of Consultation under date the 15th March 1859.

Read the following letter from Colonel C. E. FABER, Chief Engineer; to J. D. BOURDILLON, Esq., Secretary to Government, dated 1st March 1859, No. 8239.

SIR,

Referring to Extract Minutes Consultation No. 1069, dated 4th June 1858, I have the honor to forward two Plans and Estimates for a Court House to be built at Cuddalore, No. 1, having been proposed by the District Engineer and No. 2 in this Office.

2. The estimated cost of the former is Rupees 25,800, but the Estimate is not quite correct and should be increased to Rupees 28,600, the amount of the second Estimate is Rupees 31,800.

3. I beg to express my opinion in favor of the second which, although more expensive, will be a more suitable building in all respects, and I do not think the pecuniary difference such as to render it desirable to adopt an inferior plan.

4. The cost of Mrs. Fothergill's house with additions noticed in para. 3 of the order quoted above, is 21,600 or 10,200 Rupees less than the amount of Plan No. 2, which has received the approval of the Court of Sudder Udalut.

Extract from a letter from C. F. CHAMIER, Esq., Acting Register to the Court of Sudder Udalut; to Major E. LAWFORD, Officiating Chief Engineer.

The Judges direct me to state, in reply to your letter of the 10th Instant, that the Plan for a new Court House at Cuddalore appears to them to be well adapted for the purpose.
