Fort St. George, Judicial Consultation, 1st April 1859.

No. 19. Read the following letter from E. B. GLASS, Esq., Session Judge of Chicacole ; to T. PYCROFT, Esq., Chief Secretary to Government, in the Judicial Department, Fort St. George, dated 16th March 1859, No. 57.

SIR,

1. I have the honor to state, that in a communication recieved from J. Rohde, Esq., Inspector General of Prisons, of dates 12th and 13th February, he has recommended certain alterations or improvements, in the Jail at this station, at an outlay of from 1,300 to 1,400 Rupees, at the same time in the concluding para. (No. 5) on this subject he expresses himself as follows:—"I must however admit that considering the proximity of the station of Vizagapatam where it is proposed to place a large central Prison, and that this Chicacole Gaol, is bad in almost every respect I think it hardly worth doing much to it." If therefore the Jail is hardly worth doing much to it, I would be obliged if you would lay these few lines before Government and request that I may be distinctly informed, whether it is with their sanction, that this sum of 1,300 or 1,400 Rupees is to be so expended.

2. I have had an application from the District Engineer for my sanction to begin part of the alterations, on the Hospital, but have declined to give permission until I receive an answer to this reference from Government.

No. 20. ORDER THEREON, No. 436; dated 30th March 1859.

The above letter will be communicated to the Inspector General of Jails, who, in reference to Extract Minutes Consultation, 14th January 1858, No. 67, will state what are the alterations or improvements in or to the Chicacole Jail alluded to by the Zillah Judge, and what are the works which the District Engineer is desirous of commencing.

(Signed) T. PYCROFT,
Chief Secretary.
