*Proceedings of the Madras Government, Financial Department,
from 20th to 26th August 1859.*

No. 21. Read the following Proceedings of the Government of India, Financial Department, dated Fort William, 22nd July 1859, No. 61.

Read Paragraphs 14 to 16 of the Despatch from the Right Honorable the Secretary of State for India, No. 33 of 1859, dated the 21st April.

Para. 2nd of Despatch from the Honorable the Court of Directors,
No. 24 of 1844, dated the 28th August.

"We consider it objectionable in principle to grant allowances appointed as the remuneration for actual service and to meet expenses necessarily attendant thereon, to an Officer in retirement. In the case, however, of individuals displaced by the abolition or the consolidation with others of the Officers they held, we shall not object to the continuance to the Officer while he remains entirely unemployed of such portion of his former Salary as the circumstances of his case may appear to you to justify to an extent not exceeding two-thirds of its amount. The earliest opportunity must be embraced of appointing such Officer to a permanent situation. On succeeding to it the allowance now authorized will cease, but if the emolument of the new appointment be inferior to that of the office previously held, you are at liberty to grant, if you think fit, the difference between the salaries of the two situations or any portion of it as an extraordinary allowance."

Notifications.—In conformity with the instructions of the Right Honorable the Secretary of State for India, His Excellency the Right Honorable the Governor General in Council is pleased to direct, that the Rule laid down by the late Honorable the Court of Directors in the 2nd paragraph of the Despatch, cited in the margin, shall not be held to be applicable to Offices sanctioned only for a limited term.

Published by order of His Excellency the Right Honorable the Governor General of India in Council.
