*Proceedings of the Madras Government, Financial Department,
from 27th August to 2nd September 1859.*

No. 5. Read the following letter from W. HUDLESTON, Esq., Secretary to the Civil Fund; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 25th August 1859, No. 230.

One of the Extra Annuities granted by the Home Government to the Civil Service on the last occasion having fallen to Mr. Roupell, that Gentleman has intimated to the Managers of the Annuity Fund, through his Agents, Messrs. Arbuthnot, & Co., his wish to make a present payment in addition to the amount of his accumulated Subscriptions, sufficient to secure an Annuity of £350 in addition to the Annuity of £500, granted by the Fund.

Mr. Roupell's Subscriptions alone will suffice to purchase an Annuity of not more than £246. He therefore seeks permission to purchase, by a present payment and at the Fund's Tables of valuation approved by the late Government, an Annuity of £104 making his whole retiring Annuity, £850 per annum.

The revised rules adopted in 1853 by the Service at the instance of the late Government provide, (Art. 8,) that in order to secure the full Annuity of £1,000, the subscriber shall pay the difference between one half of the value of the Annuity and the accumulated amount of his Contributions, but that, if he should be unwilling or unable to pay that difference, he shall (Art. 9,) be entitled to a reduced Annuity of £500, increased by such additional Annuity, as his contributions may suffice to purchase according to the Table of Valuation in force.

In the three instances noted in the margin, the Managers complied with the application of

retiring Members of the Service for permission to pay such amount, in addition to the aggregate of their subscriptions, as would suffice to bring their Annuities to a round sum, though not

to the full amount of £1,000, but the present application, though identical in principle, is for so much larger an addition, that notwithstanding compliance with it seems in no way opposed to the spirit of the Rules framed by the late Government, the Managers are desirous of knowing the views of Government on the point, before replying to it, and also as a guide in future cases.

I am directed to request the favor of an early reply.

No. 6. ORDER THEREON, 27th August 1859, No. 482.

The Government see no objection to Mr. Roupell being allowed to secure, on payment of the difference, an Annuity of (£350,) three hundred and fifty Pounds a year, in addition to the Annuity of (£500,) five hundred a year, granted by the Civil Fund.

Chief Secretary.
