*Proceedings of the Madras Government, Financial Department,
from 10th to 16th September 1859.*

No. 5. Read the following letter from Mr. N. A. HARLEY; to T. PYCROFT, Esq.,
Chief Secretary to Government, Fort Saint George, dated 9th September 1859.

I have the honor to acknowledge the receipt of the Proceedings of Government, No. 456,
dated 16th August 1859.

In reference to the subject, I beg respectfully to observe that in my application of the 30th
July last, I submitted two requests:—one, that the usual gratuity might be disbursed to me:
the other, that I might be declared eligible for admission to the Public Service, without passing
the Uncovenanted Service Examination; and I distinctly represented that while on leave from
my permanent office I was making a trial of the Madrassa.

As regards the first request I respectfully bow to the decision of Government thereon; but
I would with all deference submit, with reference to the second, that Government have apparently
made my trial-connection with the Madrassa, the condition of my exemption from passing the
Uncovenanted Service Examination: whereas I would earnestly solicit that in common with my
colleagues of the late Mint Committee establishment, my privileged eligibility for re-admission
to the service may be declared as the result of my unbroken connection with that establishment
and my continuous service under Government for 10 years.

I forbear troubling Government with my reasons for preferring this request; but it is so
simple in its nature and the granting of it would be merely allowing to me what has been allowed
to men in precisely my situation, that I have full hope Government will readily concede my
solicitation.

No. 6. ORDER THEREON, 12th September 1859, No. 509.

Resolved, that Mr. Harley be informed that if he leaves the Madrassa and afterwards takes
any other Government appointment, he will not be required to pass the Uncovenanted Service
Examination.

(Signed) T. PYCROFT,
Chief Secretary.
