*Proceedings of the Madras Government, Financial Department,
from 10th to 16th September 1859.*

No. 9. Read the following letter from G. L. PRENDERGAST, Esq., Accountant General; to the Chief Secretary to Government, Fort Saint George, dated Pater's Gardens, 30th August 1859, No. 197.

With reference to the order of Government of 8th Instant, No. 2496 of 1859, forwarding, to me for report a petition from Jamall Bee, widow of the late Moonshee Jamal Khan, claiming the interest due to her on the sum of Rupees 323-11-4 from the date of its deposit in the Government Treasury to the date of its re-payment to her on the 16th June last, I have the honor to state that on the 28th September 1836, a Tanjore Certificate for Company's Rupees 3000-0-0 was deposited in the late Government Bank by the late Jamal Khan, for a loan of Rupees 2,500-0-0 made to him. This loan ran for four months, and not being repaid on maturity, the Certificate was sold on the 30th May 1837, and the debt with interest to the latter date, was adjusted from the proceeds, and the balance remaining *viz.*, Rupees 323-11-4 was retained in simple Deposit till the 10th December 1849, subject to demand by the proper party. It was then carried to the credit of Government, still however subject to demand. In August 1854, Jamall Bee urged her claim to the above balance as the widow of the deceased, and the Sub

Treasurer was instructed by this Office on the 10th August 1854, to pay the amount to Jamall Bee* on her receipt, after satisfying himself that she was the widow of the deceased, and the legal representative entitled to receive the same. In her present petition she reports having received this money on the 16th June last, or five years after she might have obtained it by substantiating her claim to it. As the sum of Rupees 323-11-4 remained in the hands of Government, because Jamall Khan did not demand it, as he might have done, and as Government were by such default made custodians, being ready to surrender it to the rightful party, on demand, the claim of Jamall Bee to interest on it while thus lodged with the Government is in my opinion inadmissible.

No. 10. ORDER THEREON, 13th September 1859, No. 511.

Resolved, that the Petitioner be informed by endorsement that the Government having received a report from the Accountant General on the subject of her claim to interest, consider the said claim to be inadmissible.

Chief Secretary.
