With an order

16 Sept.

My dear Mr. Croft,

In my opinion
Mr. Vendergast should
be desired to repay
the Sahukars whom
he has defrauded -
and if he refuses to
do so, the Sahukars
should be told
that they are at
liberty

5
to sue him. I do not
see why the Public should
pay for Mr. Vandergrast's frauds
while any remedy can be obtained against him.

Mr. Vandergrast's object in going at once
is, no doubt, to ~~not~~ escape these claims.

It is impossible that we can have our
discussion in Council & that Mr. V can be
settled with before 2 o'clock today - and
I therefore request that you will at once
write to him as follows:

Sir
In reply to your application to proceed

England on private affairs
I am directed to inform
you that in consequence
of a further letter
which has been received
this morning from the
Government of India, this
Government is unable to
give you permission to
leave Madras.

A further communication
will shortly be made to
you.
