*Proceedings of the Madras Government, Financial Department,
from 24th September to 4th October 1859.*

No. 5. * Read the following letter from E. B. GLASS, Esq., Civil and Session Judge of Chicacole; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 13th September 1859, No. 317.

1. I have the honor to request that the following question may be submitted to the Right Honorable the Governor. In the Official Gazette published for general information page 147 of 1858, No. 3, 15th January 1858 paragraph 10 is the following Resolution. "We concur in your suggestion that in cases in which under the literal bearing of the new rule limiting the period of service to thirty-five years, Civil servants might be required to leave the service between the 1st of May in one year and the 1st of May in the next, they shall be allowed to retain their appointments until the 1st of May, following the date, on which their period of service may expire." In accordance with this resolution I would respectfully maintain, that I am legally entitled to hold my appointment, to the above specified date, equally with all other Civil servants, whose service under the new rule of limitation, may be supposed to expire during the intervening months, *provided* I relinquish the annuity for this year which becomes due on the 1st of January and avail myself of the provisions of the foregoing rule in connection with the date of termination of service.

2. The Resolution makes no reference to the acceptance of Annuities of any date, but simply to the termination of service and the holding of appointments and the acceptance of the Annuity is not compulsory. But I would solicit the opinion of the Right Honorable the Governor, to remove any possibly existing doubt.

ORDER THEREON, 24th September 1859, No. 545.

No. 6.

Mr. E. B. Glass is at liberty to retain his Office as Civil and Session Judge of Chicacole until the first of May next if he does not accept the annuity for the present year.

(Signed) T. PYCROFT,
Chief Secretary.
