*Proceedings of the Madras Government, Financial Department,
from 5th to 21st October 1859.*

No. 7. Read the following letter from R. P. HARRISON, Esq., Accountant General; to the Chief Secretary to Government, Fort Saint George, dated 24th September 1859, No. 233.

With reference to Extract Minutes of Consultation of 11th August 1858, No. 229, Public Department, (Separate) directing the Accountant General to invest the sum in deposit on account of "Unclaimed Compensation in lieu of Clothing or on account of Half Mountings" after the expiration of the period within which all Claimants to a share in this deposit were required to prefer their claims or forfeit the same for ever, in the 5 per cent loan, from the interest accruing on which, the Clerks in the Army Clothing Office were to be pensioned. I have the honor to state that

His Excellency the Commander in Chief having in his order of 23rd August 1858, No. 91 fixed the 1st November of that year as the period up to which claims to compensation were

to be preferred, the Superintendent and Agent for Army Clothing has informed me, in his letter of 9th ultimo, No. 1097, that no claims have been preferred to his Department, except one from

Barrack Serjeant Coulson which was admitted by Government in their order of 11th April last, No. 1386, Military Department, to the extent of Rupees 6. The claim of Serjeant Coulson however has only now been adjusted under the order of Government of 7th instant No. 3170, Military Department. The amount in deposit therefore on this Account is Rupees 11,786.

As sums less than Rupees 100 are not admissible for investment in the open loan, and the amount in deposit requires only Rupees 14 to make an even sum, viz., Rupees 11,800, I have

the honor to request the sanction of Government for investing the sum of Rupees 11,800, in the 5½ per cent Loan, the deficient sum of Rupees 14 being repaid from the half yearly interest. The interest on this investment will amount to Rupees 649 per annum or Rupees 54-1-4 per mensem.

No. 8. ORDER THEREON, 7th October 1859, No. 567.

Resolved, as proposed at the end of the above letter, that the Accountant General be authorised to invest the sum of Rupees 11,800 in the 5½ per cent Loan, the difference of 14 Rupees required to make up that amount being repaid from the half yearly interest.

(Signed) T. PYCROFT,
Chief Secretary.

Order thereon 7 October 1859. No. 567

Resolved, as proposed at the end of the above letter, that the Accountant

General be authorized to incur the sum of Rupees 11,800- in the 5 1/2 per Cent Loan - the

difference of 1 1/2 Per. required to make up that amount being repaid from the half yearly Interest.
