*Proceedings of the Madras Government, Financial Department,
from 5th to 21st October 1859.*

No. 23. Read the following letter from J. L. LUSHINGTON, Esq., Civil Auditor ; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 10th October 1859, No. 682.

On the 20th July last, the situation of Head Accountant in the Statement Department of this Office became vacant, shortly after having obtained the permission of the Director of Public Instruction I engaged the services of Tamotharam Pillay B. A. then in the Educational Department. He could not however join my Office for sundry reasons for some time, and on the 1st August I made temporary arrangements for conducting the duties of the Head Accountant, on the 25th August Tamotharam Pillay gave over charge of the Educational Department, and from the same date his allowances were chargeable to this Office.

This latter circumstance escaped notice till 7th September, when the temporary arrangements made were annulled; the consequence is that there are no funds available out of the abstract for the above period, viz., from 25th August to 7th September to remunerate both Tamotharam Pillay, and the person who was conducting his duties. I propose therefore with the permission of Government to draw the salary left undrawn from July 20th to 31st, and to make up the difference from my own private funds.

No. 24. ORDER THEREON, 14th October 1859, No. 581.

Under the circumstances represented, the Government authorise the undrawn salary of Head Accountant in the Statement Department of the Civil Audit Office from 20th to 31st July 1859, being applied towards the remuneration of the parties referred to.

(Signed) T. PYCROFT,
Chief Secretary.
