With reference to the Proceedings of Government of the 20th instant, No. 529, recording a letter from Commander F. W. Hopkins I. N. wherein he states his readiness to proceed to Bombay on the 25th, I have the honor to inform you that having previously intimated to Mr. Crowther his intention of leaving on the 26th, notice to that effect has been issued and the Sub-Treasurer who had reported that 800 boxes of copper treasure would be ready for shipment by the last named day, has been requested to hasten its packing so as to have it on board in the course of the 25th which he has undertaken to do. Commander Hopkins states that without orders from Government he cannot wait beyond the 25th, on the morning of which day he proposes leaving, but as it would be inexpedient to lose so good an opportunity of sending the treasure, I beg to solicit that he may be instructed not to leave till it is on board.
