*Proceedings of the Madras Government, Financial Department,
from 22nd to 31st October 1859.*

No. 7. Read the following Proceedings of the Commission for Investigating Public Establishments; to T. PYCROFT Esq., Chief Secretary to Government, Fort Saint George, dated Madras, 19th October 1859.

1. On the 12th September 1859, the Commission reported upon the state of the Government Savings Bank.

2. On the 19th idem, Government passed an Order, No. 526, in the Financial Department, granting a temporary addition of seven writers, for one year, at a monthly cost of Rupees 182-8.

3. The Acting Secretary to the Government Savings Bank, has again addressed the Commission, by a letter No. 374, dated 4th October, enclosing for favorable consideration, a letter from the Actuary of even date; praying:—

Firstly.—Some adequate remuneration for the extra labor and responsibility involved by the supervision of the extra establishment of seven writers.

Secondly.—That the addition of seven writers for twelve months, at a monthly cost of Rupees 182-8-0, may be commuted into an addition of fourteen writers for six months, at a monthly cost of Rupees 365.

Thirdly.—That writers who have not passed the Uncovenanted Service Examination may be entertained for this temporary work, as the confinement of the selection to passed candidates, not necessarily possessed of the requisite experience in accounts, may retard the progress of the work.

4. The Commission think that the Actuary, Mr. Clark's salary, should not be re-considered until these arrears are overtaken, and therefore, must decline to entertain the first of these requests. The other two, they consider reasonable and right, and recommend that the requisite permission be given.
