No. 15. Read the following letter from W. WATERFIELD Esq., Acting Sub-Treasurer ; to T. PYCROFT Esq., Chief Secretary to Government, Fort Saint George, dated 15th October 1859, No. 177.

In reply to paragraph 2nd of the Proceedings of Government, No. 569 of the 8th Instant, Financial Department, I have the honor to state that the Securities in desposit on account of the Government Agency are 45 in number and remain for safe custody at the General Treasury until claimed by the proprietors agreeably to paragraph 16 of the Notification, dated Fort William, the 29th April 1848. The particulars of the transactions are with the Accountant General in whose Office the Records of the late Joint Government Agency are preserved and who had the control of the Establishment.

2. In regard to the Securities 33 in number belonging to escheated estates, I beg to say that they were received from the Administrator General under instructions conveyed in Extract Minutes of Consultation, Paragraph 4, No. 1159, dated 24th October 1856, Judicial Department, and Lists of the Securities were furnished to you in letters from this Office, Nos. 519, and 620, dated 3rd November and 5th December 1856.

No. 16. ORDER THEREON, 28th October 1859, No. 597.

With respect to the Securities in deposit in the General Treasury on account of the late Government Agency, the Government request that the Accountant General will furnish information as to the dates when they were deposited—their values—the parties to whom they belong—whether they have been applied to, to take them back, whether Interest continues to be drawn on them—as also any other particulars regarding them which the Records of his Office may contain.

2. The Securities referred to in the 2nd paragraph belong to two Estates those of Major Thomas Maynor and Mr. John Innis. Final orders respecting these Estates have been received from the late Court of Directors, who "desired that the assets belonging to them should be transferred to Government, *as part of the revenues of India*—the Lords of Her Majesty's Treasury having waived all claim on the part of the Crown to the effects of persons deceased, intestate and illegitimate, or without known relatives domiciled within the Company's Territories." It is observed that the greater part of the bonds belonging to the Estate of Major Maynor are of the Tanjore debt, these should be retained until the debt is paid off, when the proceeds should be carried to the credit of Government. The rest of Major Maynor's Securities and all those of Mr. Innis are in Promissory Notes of the loans of 1842-3 and 1854-5. It is not advisable to dispose of them in the present state of the market. They may therefore remain in deposit.
