the 3rd instant, I have the honor to report the receipt of two casks of Treasure from the Commander of H. M. S. "Retribution." They were found to contain Rupees (22,064,) twenty-two thousand and sixty-four, which sum has been this day credited in the accounts of this Office. I request permission to forward these coins to the Mint for re-coinage as was granted in a similar case by the Proceedings of Government, No. 541 of the 23rd September 1859.

N. B.—The bags have been twice counted, and are believed to contain Rupees as shewn in the margin; but the silver is so eaten away, and covered with incrustation that neither by weight nor counting can I be quite positive as to the amount.
