*Proceedings of the Madras Government, Financial Department,
for the month of December 1859.*

No. 6. Read the following Extract from a Despatch from the Right Honorable the Secretary of State for India, addressed to the Government of India in the Financial Department, No. 90 of 1859, dated 20th September.

Letter, dated 23rd February 1859, No. 29. 359 @ 361. *Have informed the Government of Bombay that their ruling in respect to the grant of sick leave to servants who have applied for pension under Medical Certificate is incorrect.*

Paragraph 69. It appears from these papers that in a recent case where a servant had submitted in support of his application to retire on a pension, a Medical Certificate of his unfitness to continue to perform the duties of his office, the Bombay Government granted the applicant sick leave, pending a reference to the Home Authorities.

70. This course your Government disapprove and have decided that "when a servant on application for pension has been declared by the Medical Officer to be unfit for further service," he should at once be discharged and that if a pension be subsequently granted, it should count from the dates specified in the Financial Resolution of the 21st February 1856, which laid down rules as to the commencement of pensionary allowances.

71. In cases in which a servant of Government may be discharged under the circumstances mentioned, Her Majesty's Government consider, that even if it be necessary to refer the question Home for decision, it will be proper to allow the pension to commence from the date on which he ceased to be borne on the effective establishment.

No. 9667.

Copy of the above paragraphs forwarded to the Government of Fort Saint George, for information and guidance.
