Proceedings of the Madras Government, Financial Department, for the month of December 1859.

No. 27. Read the following letter from R. P. HARRISON, Esq., Accountant General; to the Chief Secretary to Government, Fort Saint George, dated 8th December 1859, No. 345.

I have the honor to acknowledge the receipt of the Order of Government, No. 639 of 19th ultimo, referring for my opinion two letters to your address from the Secretary to the Government Savings' Bank, Nos. 549 and 554, both dated 15th ultimo.

2. In his letter, No. 549, Mr. Waterfield proposes to write off to "profit and loss" all balances in the Savings' Bank books, not amounting to two Annas, and I would recommend the adoption of the course he suggests, as calculated to diminish unprofitable correspondence.

3. In his letter of the 15th ultimo, Mr. Waterfield brings to notice, that there are a number of outstanding petty accounts of sums of from one pie upwards; and now amounting in the aggregate to Rupees 146-5-4, which the owners have not claimed. I would propose that their accounts be advertised in the Gazette, and such balances as remain unclaimed at the end of six months, carried to the credit of Government.

No. 28. ORDER THEREON, 19th December 1859, No. 690.
