*Proceedings of the Madras Government, Financial Department,
for the month of December 1859.*

Read the following papers:

No. 6. From W. HUDLESTON, Esq., Secretary to the Civil Fund; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 16th November 1859, No. 321.

With reference to the Proceedings of Government, No. 598, dated 29th October last, calling on the Trustees for an early report of the result of the enquiry directed to be made in the Proceedings of Government dated 4th June last, No. 316, I am desired by the Trustees of the Civil Fund to point out, that in those Proceedings no report was required from them and the matter appeared to them to call for no action on their part, as the Accountant General had been directly required by the Supreme Government to enquire and report on the subject to them. As however the Government now require the Trustees to furnish the requisite information, I am desired to state that the only occasion on which the Trustees purchased Bonds for the Fund at discount, was in 1855 to the extent of Rupees 5,34,800 in the 4 per cent loan. The gain derived by the Fund in the shape of additional Capital from such purchase amounted to Rupees 26,479, and the additional interest beyond the ordinary rate, which the Government paid under the guarantee of favorable interest upon that gain, from the date of purchase to the end of the last Official year, amounts altogether to no more than Rupees 3,537-10-2.

No. 7. From C. HUGH LUSHINGTON, Esq., Secretary to the Government of India; to the Chief Secretary to the Government of Fort Saint George, dated Fort William, 5th December 1859, No. 10205.

I have the honor to draw your attention to my letter, No. 8549, dated the 15th October last, and to repeat the request therein made, that you will be pleased to expedite the submission to this Department of the result of the enquiry of the local Government in respect to the several service funds at Madras, adverted to in the resolution of this Government, dated the 13th May last.

No. 8. To the Secretary to the Government of India, Financial Department, dated 24th December 1859, No. 697.

I am directed by the Honorable the Governor in Council, to acknowledge the receipt of your letter dated as per margin, requesting this Government to expedite the submission of the result of their inquiry in respect to the several service funds at Madras, adverted to in the resolution of the Supreme Government, dated 13th May last.

15th October 1859, No. 8549.	pedite the submission of the result of their inquiry in respect
5th December " " 10205.	to the several service funds at Madras, adverted to in the resolution
	tion of the Supreme Government, dated 13th May last.

2. In reply I am desired to bring to notice that the resolution in question, was sent to this Government for information and guidance only, and to the Accountant General of this Presidency for enquiry and report as to the investments erroneously made by the several charity funds.

3. The Government learn from the Accountant General that he has submitted a report on this subject. It is probable therefore under these circumstances that no further communication is expected from this Government.
