No. 4. From F. LUSHINGTON, Esq., Civil Auditor; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, Public Department, dated 18th December 1858, No. 454.

SIR,

In forwarding herewith a Comparative Statement of Contingent Expenditure during the year 1857-58, I have the honor to offer the following remarks in explanation of the very large amount of Decrease which appears as the result of the comparison.

2. In the Statement of Contingencies for 1856-57, submitted on the 19th January last, was included indiscriminately the whole of the Actual Contingent Expenditure, both especially authorized and that provided for by the Regulations, which course was adopted in view that the same List might serve as an Appendix to the Book of Civil Establishments and at the same time shew the amount of Contingencies passed by the Civil Auditor. The amalgamation of the ordinary authorized Expenditure, with the variable Contingencies, specially sanctioned, having been considered inexpedient, the return now furnished exhibits only such items of Expenditure, as were passed under the competency vested in the Civil Auditor under orders of the 9th May 1856, to the entire exclusion of all regulated Contingencies; both of which however will appear in the Abstract of Contingent Expenditure compiled for the Book of Civil Establishments, which will be submitted 'ere the ensuing holidays.

3. With reference to Extract Minutes of Consultation, dated 19th March 1858, remarking on the very large amounts which appear as Contingencies opposite Malabar, Canara and Madras, in the last Statement, regarding which it was said that no satisfactory explanation was given; I have the honor to observe that the Expenditure was chiefly incurred for the purchase of, and shipping Salt to different Ports from those Stations.

No. 5. ORDER THEREON, No. 6; dated 6th January 1859.

To be recorded.

(Signed) T. PYCROFT,
Chief Secretary.

Exd. J. A. Wilson.
