*Proceedings of the Madras Government, Financial Department,
for the month of March 1860.*

No. 18. Read the following letter from C. HUGH LUSHINGTON, Esq., Secretary to the Government of India, to the Chief Secretary to Government, Fort Saint George, dated 9th March 1860, No. 1,670.

Financial Department.

In the 13th paragraph of the Financial Resolution of the 4th December 1857, it was resolved that Junior Civil Servants who are Candidates for employment in the General Department of Account, shall be subjected to an examination in "Book-keeping, the working of the Revenue system of the Presidency to which they belong, and the management of District Treasuries."

2. It will be necessary shortly to fill up a vacancy which will be occasioned by the retirement of Mr. Palmer, the Civil Auditor at this Presidency, and it is considered desirable that the Candidates now on the list should be examined on the abovementioned subjects.

3. The questions on Book-keeping will be prepared in the Financial Department; but it is difficult without reference to the Local Governments to regulate the examination in regard to the Revenue systems and the management of the District Treasuries; these being, in many respects, different in the several Presidencies, and the Honorable the President in Council has in consequence resolved that each Local Government shall be requested to submit, confidentially, to this Department in a carefully considered form, a long list of questions in relation to the two subjects as applicable to the systems in force in the Districts under its control, *together with the proper replies* attached to them.

4. On receipt of these questions a certain number of each class, together with such other questions of a general nature as the Government of India may see fit to append, will be selected for transmission under sealed covers to the Local Governments, under whose instructions the Candidates will be examined on a certain fixed date, in the presence of the Commissioners of the Divisions, in which they may be stationed. On the conclusion of the examinations, the examination papers together with reports from the Local Governments on the general aptitude for business of the several Candidates, will be forwarded for the consideration of the Governor General in Council.

5. I am desired to request that you will be good enough to move the Right Honorable the Governor in Council to give his early attention to the matter.

No. 19. To the Secretary to the Government of India, Financial Department, dated Fort St. George, 30th March 1860, No. 125.

I am directed by the Honorable the Governor in Council to acknowledge the receipt of your letter, dated the 9th instant, No. 1670, and to state for the information of the Government of India that the terms of employment in the General Department of Account, as conveyed in their Resolution of the 14th December 1857, were duly notified to the Junior Civil Servants on this establishment, but that no Candidates have as yet come forward.

(Signed) T. PYCROFT,
Chief Secretary.
