Read also the following letters :—

From C. PELLY, Esq., 3rd Member of the Board of Revenue.

Submitting as proposed in his letter of the 29th September 1859, No. 36, a Report on the District and Taluq Establishments accompanied by an abstract of the reports of Collectors with his notes attached. (Here enter 15th December 1859, No. 122.)

From C. PELLY, Esq., 3rd Member of the Board of Revenue.

Submitting a letter from the Collector of Coimbatore reporting on the subject of District and Taluq Establishments with his own observations on the different points alluded to in it. (Here enter 23rd December 1859, No. 134.)

ORDER THEREON, 11th April 1860, No. 555.

Paragraph 1. In his letter of the 29th September Mr. Pelly reported his Proceedings, in pursuance of the instructions of Government of the 17th June 1859, for the revision of the District and Taluq Revenue Establishments; and submitted a revised scale for the Collectors' Huzur and Taluq Kachéris, as well as for those of the Sub-Collectors, Head Assistants, and Deputy Collectors.

2. This scheme contemplated the employment of an Establishment of 9,012 persons at a total monthly cost of Rupees 1,34,445½ or an annual charge of Rupees 16,13,343 as shown below, that is, after excluding the Establishments of the Sub-Collector of Paragraph 20. Masulipatam, of the Additional Sub-Collector of Canara, of the Principal Assistants in Ganjam and Vizagapatam, and of the Special Assistants in Tanjore and Malabar.

		For 20 Districts.	
		Persons.	Amount.
			Rupees.
20 Huzur Establishments....	...	2,000	41,860
13 Sub-Collectors ...	...	247	3,900
20 Head Assistants...	...	220	2,880
38 Deputy Collectors...	...	266	2,850
161 Taluq Establishments....	...	6,279	82,955½
Total per month	...	9,012	1,34,445½
		12	
Total charge for a year,	...	16,13,343	

3. This scale was forwarded to the several Collectors by Mr. Pelly for their views and suggestions, and their replies are reported in his letter of the 15th December 1859; his subsequent letter of the 23rd idem submits the reply of the Collector of Coimbatore, which he had not received on the former date. The Collectors generally approve the scheme; but some have either suggested alterations or urged objections, the more important of which are stated in detail by Mr. Pelly, together with his own opinions and recommendations thereon.

4. The Collector of Trichinopoly recommends a reduction in the number of Accountants in the English Department; and the officiating Collector of Nellore makes a similar recommendation, in view to strengthen the Vernacular Department under the Sarishtadár. Mr. Pelly would make no change, and his reasons appear good and sufficient.

Financial. Mr. Pelly
Proceedings of the Madras
Government
dated 29th September.
N. 36.
Communicate to the
Secretary General for his
opinion under 7 of No. of Govt.
in the Revenue Department
respecting the abolition of the
district revenue establishments at
Chicacole & in North Malabar
with the proposal to which
it refers.

5. The officiating Collector of Vizagapatam altogether set aside Mr. Pelly's scale for one of his own, which involves an additional expenditure of Rs. 163-8 per month. Mr. Pelly thinks that his own scale of Establishment is not only ample, but that it may even be reduced to some extent in Vizagapatam; and in consideration of the small number of Tálúqs under Raiyatwár settlement in that District and in Ganjam, he proposes a reduction in the number of Vernacular and English Clerks to the extent of Rupees 135 per month in the former and of Rupees ~~211~~ 80. in the latter District.

6. As regards the question raised in paragraph 6, viz. whether the office of Principal Assistant should be continued in the two Districts of Ganjam and Vizagapatam, the Government are of opinion that the appointment cannot be abolished. In Districts of such large size as these are, and especially of such great length, where parts of them are so wild, and where the Collector has Agency powers to exercise in addition to his duties as Collector and Magistrate, it is important that a second officer of standing and experience should be at hand. The Governor in Council is also of opinion, after careful enquiry, that the appointment of Special Assistant must be continued in Malabar; it is the opinion of those most competent to judge, that there ought to be a Covenanted Officer at both Tellicherry and Malliapuram. The post of Special Assistant in Tanjore need not be continued now that Deputy Collectors are available, and it will be abolished.

7. The proposal in paragraph 7 to abolish the subordinate Treasuries at Chicacole and in North Malabar will be referred to the Financial Department for consideration. Final orders have not yet been issued respecting the Masulipatam General Treasury, but the Government now direct that it be abolished from the receipt of these orders at Masulipatam, by which a saving of 427½ Rs. will be effected.

8. Mr. Pelly notices the applications from the Collectors of Kurnool and North Arcot, for separate provision of servants for particular Departments of their offices, viz. for the Hindustani and Persian correspondence in the former District, and for the Yaumia Department in the latter. His reasons for not considering such special provision to be necessary appear sufficient.

9. Clause 1 of paragraph 11 discusses the question of raising the salary of the Sarishtadárs of the Húzur Kachéris; one Collector recommends that it should be increased to 250 Rupees, and others that it should be fixed at 225 Rupees or at the least 200 Rs. a month. Mr. Pelly himself seems to be in favor of the last mentioned amount. The Government have now reconsidered the subject, and they resolve to fix the pay of the Collector's Sarishtadár at 200 Rupees a month.

10. In Clause 3 Mr. Pelly proposes, on the representations of the Collectors of Salem and South Arcot, to alter the salary of the Head and Second Vernacular Clerks from 50 and 40 Rupees, the rates laid down in his revised scheme, to 65 and 50 Rupees respectively. The Government approve of this alteration.

11. In Clause 5 Mr. Pelly proposes, at the suggestion of some of the Collectors, to add two Vernacular Accountants to his proposed scale, in thirteen Districts, and four in each of those of Malabar and Tanjore. These propositions are approved, except that which relates to Malabar. Having consulted Mr. W. Robinson, late Collector of that District, the Governor in Council is of opinion that two additional Gumáshtás will be sufficient there, instead of four. It further appears to Government that the same reasons which make it necessary specially to augment the Establishment of the Collector of Tanjore require a special addition also to that of the Sub-Collector. Mr. Pelly will be requested to consider and report on this point.

12. The following is the scale of pay proposed by Mr. Pelly for Tahsildárs:—

36 at 200 Rupees a month.
54 at 160 " "
71 at 120 " "

He considers it to be too low, but abstains, for financial reasons, from proposing a higher. The Government fully agree with Mr. Pelly that the scale is inadequate; they consider it to be a matter of the first importance to secure an efficient body of Tahsildárs; and this necessity is much increased by the augmented size of the Tálúqs, and from consideration of the larger

powers about to be conferred on Tahsildárs. On these grounds the Government have resolved to fix the following as the scale of pay for Tahsildárs:—

7 at 250 Rupees.
20 at 225 "
44 at 200 "
44 at 175 "
44 at 150 "

The details of this arrangement are given in a separate Order of this date No. 556; where also the means of providing the funds are set forth.

13. The Government assent to the proposal in Clause 8 to classify the pay of the Tálúq Sarishtadárs; but the rates should be Rupees 55, 50 and 45, for the three classes, instead of Rupees 50, 45, and 40, as proposed by Mr. Pelly.

14. In Clause 9 Mr. Pelly proposes to give two Shroffs in each Tálúq, instead of only one as before proposed, their pay to be 12 Rupees and 7 Rupees respectively; he also proposes to add two Shroffs to the Tanjore Collector's Treasury, on account of the large Revenue of that District. The latter arrangement is approved. With respect to the Tálúq Shroffs it may probably be the case that two are necessary; but as the Revenue of Tálúqs varies so greatly, the requirement can hardly be the same in all. In Tanjore for instance, more aid of this kind seems necessary than in other Districts, for the same reason for which additional Shroffs are given to the Collector's Treasury.

15. The Government would wish Mr. Pelly to re-consider the subject of Tálúq Shroffs and their pay. It appears to them that as the great bulk of the Shroffs' work occurs within a few days in each month, viz. when the collections are coming in, it may be better instead of entertaining additional hands, to pay one man liberally and allow him to bring in another man to help him when necessary; the man so brought in to be employed on his (the Shroff's,) sole responsibility, and to be one approved by the Tahsildár and registered. In Tanjore it may be necessary to have one permanent Assistant also. Mr. Pelly will be pleased to consider and report on this suggestion, in communication with the Collectors.

16. The pay of the Sub-Collector's Head Clerk will be 100 Rupees a month; and the proposal to change the designation of that Officer to Sarishtadár is approved.

Letter December 23rd, paragraph 13.

17. The various alterations now suggested by Mr. Pelly and approved by Government, as noted in the margin,* involve anet additional monthly charge of Rupees 406½ or Rupees 4,878 per annum above the scale proposed in his former letter. The total annual cost of the Revenue Establishments of the Presidency will thus be raised from Rupees 16,18,343 to Rupees 16,18,221, exclusive of the items detailed in the latter part of paragraph 14 of Mr. Pelly's letter of 15th December. A further addition will have to be made on account of the Establishments of the Principal Assistants of Ganjam and Vizagapatam, and of the Special Assistant in Malabar; as well as for the increase now ordered in the rates of pay for the Sarishtadárs of the Collectors' Kachéris and of the Tálúqs. Mr. Pelly will be

requested to submit a Statement of the whole cost of the new District and Tálug Establishments, as now approved.

18. He will also in communication with the Inspector General of Mufassal Police and with the Magistrates of the several Districts, determine the places where it will be necessary to maintain Magistrate Amins, and the pay and Establishment proper to be assigned to them.

He will also as soon as practicable, report as to the various classes referred to in paragraph 14 of his letter of the 15th December; and, with reference to Clause 19 in paragraph 11, he will carefully consider and report in communication with the Collectors, as to the Establishments necessary to be allowed to Deputy Collectors.

19. The Government fully agree in the opinion expressed in paragraph 17. They resolve to request the Board of Revenue to investigate every instance in which the Collector's Kachéri is divided between two places, or in which a Collector's Treasury is apart from his Kachéri, and to report how such a state of things can be remedied in each case.

20. With the exceptions noted in paragraphs 6, 9, 11, 14, 15 and 16 of these Proceedings, the Government approve and sanction the scale of Establishment now proposed by Mr. Pelly, but in doing this they must record their opinion that the pay fixed therein for Peons is too low. It is, therefore, fixed provisionally and temporarily, and the Government will be prepared to raise it on a fit opportunity.

21. In the 18th paragraph of his letter of the 15th December, Mr. Pelly proposes an augmented Establishment for the Nílgeri Tálug in Coimbatore: but no Order need now be passed on that recommendation, as the subject has been specially referred for the report of the Collector†.

22. With regard to the time at which the new Establishments should be introduced, the Government are of opinion that as respects the Tálug Establishments, the best time in each District will be when the new Police is brought into operation there, the changes lately ordered in the dimensions and names of the Tálugs being carried into effect at the same time. As respects the Collectors', Sub-Collectors', and Head Assistants' Establishments, no reason appears why the change should not be made at once, and the Government direct that this shall be done accordingly.
