Proceedings of the Madras Government, Financial Department,

23rd June 1860.

No. 55. Read the following letter from F. C. FORBES, Esq., Officiating Sub Treasurer, to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 18th June 1860, No. 169.

It appearing to me that a reorganization of the account and correspondence branch of this establishment would have the decided effect of materially enhancing its general efficiency, I beg to submit herewith, a list of the Subordinates of whom it is composed, their present pay, and the rates at which I consider it desirable their salaries should hereafter be fixed; with reference to the nature of the duties performed by them respectively.

The arrangement now suggested, I find, had been contemplated by Mr. Sandeman, my immediate predecessor in Office. Its main and indeed sole object is to receive, as far as practicable, the services of a better class of men to fill the more important posts in the Department, by an augmentation of the emoluments attached thereto, to be attained by the absorption of the seven inferior situations marked thus* on the list; whilst it is not intended prejudicially to affect any of the present incumbents, nor to be carried out at once, but gradually, on the occurrence of vacancies, of which, it will be observed, three already exist.

I would merely add that the proposed changes will not involve any addition to the present cost of the establishment, and I beg therefore strongly to recommend them for the sanction of Government.
