To
The Accountant General
Fort Saint George

Sir

With reference to your letter No 2073 of the 4th Ultimo, I have the honor to observe that, of the Government Promissory Notes received therewith for renewal, and encasement for the payment of interest in London by Draft on Calcutta, the eight papers enumerated in the margin appear to have been encasement in your office for the payment of interest in the manner required, shortly before their transmission with your letter under reference, and the encasement still appears uncanceled on the old notes.

2^d As a compliance with your request for renewal, however, has involved the entry of this Office of fresh encasements on the new Notes which accompanied my letter No 159 of the 21st Ultimo, and as advised of the same have been forwarded for the information of the Home Authorities in the usual manner, it becomes necessary that the India Office be also advised by you of the cancellation (at present only implied) of the former encasement (should advice of such encasement have been given to the India Office) to prevent misapprehension which may otherwise arise from the appearance of the Notes in two distinct advices bearing different dates.

3^d The Accountant General accordingly desires me to request that an advice of the cancellation in the accompanying form may be forwarded to England from

1 st 9726 of 1854/55 of the 4 th Ultimo loan for Rs. 500
