No. 15. Read the following letter from F. LUSHINGTON, Esq., Acting Accountant General, to the Chief Secretary to Government, Fort Saint George, dated 30th June 1860, No. 91.

1. I have the honor to request to be favored with the Orders of Government whether any provision should be made in the Estimate prepared in this Office on account of arrears of stipend due to His Highness Prince Azeem Jah Bahadoor which amount to Rupees 6,25,855 up to the close of the past official year 1859-60.

2. I am induced to trouble Government on this point from the fact that year after year the arrears* accruing have been entered in the Estimates as a liability, but payment has been made to the extent of only Rupees 59,225 as per annexed Memo. In the event of Government being of opinion that provision should not be made, in that case the amount Rupees 9,591 sanctioned† to be paid to the creditor of the Prince and which was disbursed in last month, as well as the house rent of Rupees 1,000 per mensem from 18th November 1859, authorized‡

to be paid to the owners of the Shadi Mahal premises, will alone be provided for in the Prospective Estimate for 1860-61 and in the Budget of Civil Charges for that year. I shall be obliged by your favoring me with the views of Government upon this subject.

I take this opportunity of requesting that you will be good enough to state whether you are aware of any new appointments likely to be made in 1860-61 or of any changes to take place in the Civil Department involving additional expense or reduction of charge in that year, and which may have received or are likely to receive the sanction of the Government of India.
