Proceedings of the Madras Government, Financial Department,
30th July 1860.

No. 62. Proceedings of the Madras Government, dated 30th July 1860, No. 374.

It appears to the Government that it will be sufficient if the Statement of Superannuation Pensions and Gratuities required for transmission to the Home Government, be furnished annually in future instead of half-yearly. The Statement for the current half-year should be sent in as usual; the change to take effect from the beginning of next year. It would also be more convenient if the Return were submitted *in print*.
