Proceedings of the Madras Government, Financial Department,
29th August 1860.

No. 87. Read the following letter from F. LUSHINGTON, Esq., Acting Accountant General, to the Chief Secretary to Government, Fort Saint George, dated 6th August 1860, No. 132.

1. With reference to the Order of Government, No. 597, dated 28th October, passed on a letter to Government from W. Waterfield, Esq., Acting Sub-Treasurer, No. 177, dated 15th October 1859, I have the honor to submit, herewith, a list of the Securities at present in deposit at the General Treasury on account of the late Government Agency, shewing the dates when they were deposited and the parties to whom they belong, together with such other particulars regarding each Security as I have been able to collect from the records in this Office.

2. Out of forty-five Securities referred to in the Order of Government, twelve have been since delivered over under instructions from the Proprietors, the latest on the 28th March last, and I expect to be furnished with instructions shortly for the delivery over of a few more. No interest has been drawn on any of these Securities since the abolition of the Government Agency, and the interest on two of them has ceased altogether, viz., from the 30th September 1824, on a Treasury Note which has never been claimed from that period; and from the 31st March last on a Tanjore Note, respecting which a further communication has been recently addressed to the Proprietor in England.

3. All the other Securities bear interest from the period it was last drawn on each of them by the late Government Agency.

List of Government Securities in deposit at the General Treasury on account of the late Government Agency, shewing also the dates when they were received in deposit, and the parties to whom they belong, together with other particulars respecting them, as obtained from the records in the Accountant General's Office.

<i>Mr. Daniel Isaac.</i> No. 2,964 of 1832-33, for Sicca Rs. 2,000.	26th Jany. 1833.	The original Note, viz., No. 4,789 of the 6 per cent. loan of 31st March 1822, for Sicca Rupees 5,400, was endorsed into Mr. Isaac's name, from that of Isaac Appoo, on the 17th September 1822, 7-10ths or Rupees 3,800, were transferred to the 5 per cent. loan of 31st March 1823, as per Promissory Note No. 2,559 of 1822-23. This Note for Rupees 3,800 was divided into two Promissory Notes, one for Rupees 1,800 which was sold, and the proceeds remitted to Mr. Isaac himself at Trichinopoly under instructions dated 5th April 1825, and one for Rupees 2,000, which was retained in deposit, viz., No. 413 of 2,559. The latter Note was transferred to the 4 per cent. loan of 1st May 1832, as per Promissory Note No. 2,964, no interest has been drawn on this Note since 1st November 1852, as the property appears to be in dispute by parties residing at Trichinopoly.
