Proceedings of the Madras Government, Financial Department,
30*th August* 1860.

Read the following papers :—

Proceedings of the Government of India, dated 25th July 1860, No. 6,543.

No. 93. From H. D. SANDEMAN, Esq., Officiating Civil Auditor, to C. H. LUSHINGTON, Esq., Secretary to the Government of India, Financial Department, dated Fort William, 20th July 1860, No. 2,702.

I have the honor to acknowledge the receipt of your Docket No. 6,087, dated 17th instant and in reply to state, that there is no rule prohibiting the time, an Uncovenanted Civil Servant may be employed on an extra or temporary establishment to reckon in his favor towards pension. The practice has always been to count such service as qualifying for pension, provided the establishment, in which the individual may have served, is eventually made permanent.

No. 6,543.

Ordered that a copy of the above letter be sent to the Chief Secretary to the Government of Fort Saint George, in reply to his letter No. 314, dated 28th ultimo.

By order of the Governor General in Council.

(Signed) C. H. LUSHINGTON,
Secretary to the Government of India.

No. 94. MINUTE BY THE HONORABLE W. A. MOREHEAD dated 6th June 1860.

As President of the late Commission for investigating Public Establishments, I am desirous to obtain from Government their recommendation or sanction, to enable Mr. Peachey the Secretary to the late Commission, to count as service for pension the period he was employed under the Commission.

The Government appointed Mr. Peachey on the 11th of June 1857, to be the Secretary to the Commission, and he continued to hold that appointment until he was nominated an Uncovenanted Assistant in the office of the Accountant General some few months ago. As Secretary to the Commission, Mr. Peachey rendered great service, and as the aid which he afforded the Commission was valuable and important, I have deemed it a measure of justice to Mr. Peachey, who has entered the Uncovenanted Service late in life, to suggest to Government that the boon which I have now solicited should be conferred on him.

(Signed) W. MOREHEAD.

No 95. ORDER THEREON, 30th August 1860, No. 440.

Ordered that a copy of the letter forwarded by the Government of India in reply to the one addressed to them under date the 28th June last, be furnished to the Civil Auditor, and that he be informed that the Orders* of this Government with respect to service on extra or temporary establishments being reckoned towards pension must be understood as being modified to the extent stated in Mr. Sandeman's letter, viz., that service on such establishments may be reckoned " provided the establishment, on which " the individual may have served, is *eventually made permanent.*"

* *Dated 19th December* 1837, *published in the Fort Saint George Gazette of the 22nd idem, page* 919.

2. In reference to the Honorable Mr. Morehead's Minute, the Government observe that under the condition expressed at the end of that letter and above quoted, the period of Mr. Peachey's employment under the Commission for investigating Public Establishments cannot be accepted as service qualifying for pension.
