RESOLUTION.—His Excellency the Governor General in Council observes, that it has hitherto been the practice to report to the Home Authorities the increases and decreases of Establishments, whether permanent or temporary, sanctioned by this Government, once in every two months, and accordingly the Resolution abovementioned directed the several subordinate Governments to furnish this Department with returns of decreases of Establishments, whether permanent or temporary, every two months. The Secretary of State, however, in his Despatch above quoted, having desired that the proceedings of this Government should be reported to him monthly, His Excellency in Council is pleased to direct that, in lieu of the returns now furnished once in every two months, monthly returns of decreases of Establishments, whether permanent or temporary, be in future submitted to this Department within fifteen days after the expiration of each month, commencing from the 1st September next.

2. Besides the returns required from the Local Governments, the Civil Auditor and the Military Auditor General, Fort William, will be respectively desired to submit similar returns, in like manner, of decreases in Establishments under the Government of India, the pay abstracts of which are passed by them.
