*Proceedings of the Madras Government, Financial Department,
8th September 1860.*

No. 11. Read the following letter from Major CHARLES A. ORR, Mint Master, to the Chief Secretary to Government, Fort Saint George, dated 30th August 1860, No. 163.

Paragraph 1st. I have the honor to report that in consequence of the death on the 17th instant, of Mr. W. G. Maddox, the Superintendent of Machinery and Foreman of Works in the

Mint, to whom leave* for 12 months on Sick Certificate was granted on the 4th June last, I have made the undermentioned appointments, which I hope will meet with the approval of Government.

Mr. A. Bowie, Superintendent of the Laminating Department, to be Superintendent of Machinery.

Mr. M. Christian, Superintendent of the Milling, Cleaning and Stamping Rooms, to be Superintendent of the Laminating Department.

Mr. G. Schwenke, Superintendent of Artificers, to be Superintendent of the Milling, Cleaning and Stamping Rooms.

Mr. J. Schwenke, Deputy Superintendent of Artificers, to be Superintendent of Artificers.

2nd. Messrs. Christian and G. Schwenke will furnish the customary securities.

3rd. For the situation of Deputy Superintendent of Artificers thus left vacant, the only person in the Mint sufficiently qualified as a Mechanic is Mr. C. Hannegan, who has been doing the duty since the 4th June last, but I am unable to appoint him as he has not passed, and does not pretend to be able to pass the educational test imposed by the Uncovenanted regulations, and, as it is not likely that the merely practical Mechanic that is required for the post will be able to pass that test, however well qualified he may otherwise be, I beg to recommend that I may either be authorized to appoint Mr. Hannegan as an exceptional case, or that Mechanics may be

declared "exempted from the necessity of passing the Uncovenanted Service Examination," on the same terms as the privilege has been conceded* to Draughtsmen.

No. 12. ORDER THEREON, 8th September 1860, No. 455.

The appointments reported in the foregoing letter are approved; and the Mint Master is authorized, as an exceptional case, to appoint Mr. C. Hannegan to the Office of Deputy Superintendent of Artificers on the condition that he is not to be promoted or transferred into any other branch of the Service without passing the prescribed examination.

(Signed) T. PYCROFT,
Chief Secretary.
