*Proceedings of the Madras Government, Financial Department,
12th September 1860.*

No. 19. Read the following letter from Mr. ALEX. BARREN, Madras, to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 10th September 1860.

I have the honor to submit for your inspection a specimen of a set of Tables compiled by me and now in the Press, for computing the Income Tax. The calculations are made on the plan laid down in G. O. G. G., dated Fort William, 17th August 1860, No. 856, from Rupees one to Rupees one thousand, and at the several rates prescribed in the Act.

Having bestowed considerable attention and labor, in the compilation of the work which will be entitled the *Income Tax Ready Reckoner*, and being sure of the correctness of the Tables, I presume that it will be found really useful to the several Departments under Government, on which it will devolve to make such calculations; and with this view I beg respectfully you will have the goodness to obtain for me the patronage of the Government by subscribing to as many copies of the publication as may be found necessary.

The work is being printed at the Adelphi Press, it will consist of 23 p.p. foolscap 4to., price Annas 12 per copy.

No. 20. ORDER THEREON, 12th September 1860, No. 460.

The undermentioned Officers will be called upon to state whether the Tables for computing the Income Tax, compiled by Mr. Barren, will be of any use to their Departments, and if so, how many copies they will require.
