*Proceedings of the Madras Government, Financial Department,  
21st September 1860.*

No. 48. Read the following letter from F. LUSHINGTON, Esq., Acting Accountant General, to the Chief Secretary to Government, Financial Department, Fort Saint George, dated 12th September 1860, No. 188.

With reference to the Order of Government, No. 433, dated 27th ultimo, requesting me to state, what reduction it will be practicable for me to effect in my Office Establishment, in consequence of the diminution of work that may be caused by the preparation of duplicate accounts of Civil and Military Paymasters, and Store Accountants, to be sent to England, being dispensed with, I have the honor to state that these accounts are not prepared in this Office, they are merely copies (made in the disbursing offices) of the accounts sent to me monthly. There can therefore be no reduction of my Establishment, but there will be a diminution of charge, the charges incurred in this Office annually in binding these books, 99 in number, amount to Rupees 60, the stationery consumed is 228 quires of medium paper, valued at about Rupees 230, and the freight to England is incurred by your Department. Relief will be given to Collectors' and Paymasters' Offices, but not, I am afraid, to such extent as to justify reduction of Establishments.

No. 49. ORDER THEREON, 21st September 1860, No. 477.

To be recorded.

(Signed) T. PYCROFT,  
Chief Secretary.
