*Proceedings of the Madras Government, Financial Department,
22nd September 1860.*

No. 56. Read the following letter from W. BALMAIN, Esq., Officiating Civil Auditor, to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 11th September 1860, No. 632.

The Accountant General having intimated his intention of placing at the debit of the Civil Auditor all advances audited on account of table money, I have the honor to solicit the Orders of Government, as to that Officer's authority for this procedure.

2. I am aware that the Accountant General has the power to object to any charge which he considers to have been improperly audited by this Office, but he cannot, I imagine, set aside an audit without first obtaining the Orders of Government. At paragraph 4, page 1 of the Civil Auditor's Manual, it is expressly stated that Government alone has the power of reversing a decision of the Civil Auditor.

3. The Accountant General however does not limit his proposal to improper audits; and to debit the Civil Auditor with the amount of bills passed under sufficient authority appears to be unreasonable.

ORDER THEREON, 22nd September 1860, No. 484.

No. 57.

It appears to the Honorable the Governor in Council that the question raised in the above letter should be submitted for the decision of the Government of India. They would suggest to the Civil Auditor that he should refer it to that authority.

(Signed) T. PYCROFT,
Chief Secretary.
