*Proceedings of the Madras Government, Financial Department,
24th September 1860.*

No. 58. Read the following letter from J. J. FRANKLIN, Esq., Superintendent of Marine, to the Chief Secretary to Government, Fort Saint George, dated 19th September 1860, No. 4,120.

Referring to Proceedings of the Madras Government of the 13th instant, No. 464, I have the honor to inform you that sometime after the dispatch of my letter therein recorded, the Agent of the "Merrington" applied for the refund of the amount of freight withheld, pointing out that the Bill of Lading provided that it was payable "on intake weight as specified on Bill of Lading." The weight there specified is 101 tons 16 cwt. The deduction has therefore been erroneously made and a bill will now be admitted for the amount.

2. I beg to express my regret that through inadvertence, I should have to trouble Government again on this matter.

No. 59. ORDER THEREON, 24th September 1860, No. 485.
The proposed payment to the Agent of the "Merrington," of the amount of freight withheld, is approved.

(Signed) T. PYCROFT,
Chief Secretary.

Order thereon. 24 September 1860. No. 485.

Well. The proposed pay-
ment to the Agent of the "Inde-
pendence", of the amount of freight
withheld, is approved.
