MEMORANDUM.

I have to report a considerable increase of printing in the Revenue Departments of the Government Press, and to solicit that the sanction of Government may be obtained to a modification of the List of Establishment sanctioned under date the 7th January 1860, to enable me by a slightly altered distribution of the funds already allowed, to meet the case without increase of expence.

SUPPLEMENTAL MEMORANDUM.

Owing, in the first instance, to the difficulty of obtaining a suitable person to fill the place, one of the Examinerships at Rupees 70 per mensem was not filled up, and arrangements were subsequently made which rendered it unnecessary. This Examinership it is now proposed to strike out of the list, and, by dividing the amount, to add an additional Rough Proof Reader to the Revenue Department (an urgent necessity at the present moment), to increase the pay of the Foreman of the Revenue Department from Rupees 40 to Rupees 45, that is, to transfer him from the 2nd to the 1st Class of Foremen, and to raise the pay of the two Revenue Board Examiners from Rupees 70 and 80 respectively to Rupees 80 and 90, as experience has established that they are underpaid for the labor devolving upon them.

The Memorandum was prepared in the tabular form, because, if the application is sanctioned, it will be necessary to enable the Civil Auditor to alter his list.
