No. 68. Read the following letter from F. LUSHINGTON, Esq., Acting Accountant General, to all Collectors, Paymasters, Sub-Treasurer, Commissioner at Mysore, Resident at Travancore, and Secretary to the Government Savings' Bank, dated 14th September 1860, No. 1,203.

I have the honor to annex for your information and guidance copy of a letter from the Financial Secretary to the Government of India to the Accountant General to that Government, No. 7,330, dated 21st ultimo, explaining the true intent of Section 192 of Act 32 of 1860, and making clear the bearing of Sections 190, 191, 193 and 194.

Forwarded to the Chief Secretary to Government for information and guidance.

From C. H. LUSHINGTON, Esq., Secretary to the Government of India, Financial Department, to the Honorable E. DRUMMOND, Accountant General to the Government of India, dated Fort William, Council Chamber, No. 7,330, 21st August 1860.

I am directed to acknowledge the receipt of your letter, No. 752, dated the 17th instant, requesting instructions in regard to the proper construction of Sections 190 to 194 of Act 32 of 1860, for the guidance of Accountants and Treasury Officers generally, and stating that there is a difference of opinion as to the true intent of Section 192.

2. In reply, I am desired to inform you, that the separate account referred to in Section 192, is not intended to include the duty assessed either upon interest on Government Securities, or upon salaries of public officers, and consequently that no note need be made on Interest Drafts, or on salary Bills, of the place of residence of the holders. The account under Section 192 is intended to include only the 1 per cent. assessed on persons residing in or carrying on business in any Presidency Town or Station, or in any district, and assessed *at the place of residence or of business* under the Rules of the Act.

3. With the above explanation, I am desired to add, the bearing of Sections 190, 191, 193 and 194 will be clear.
