*Proceedings of the Madras Government, Financial Department,
2nd October 1860.*

No. 5. Read the following letter from Lieutenant Colonel W. H. HORSLEY, Chief Engineer, Department Public Works, to J. D. BOURDILLON, Esq., Secretary to Government, Public Works Department, Fort Saint George, dated 26th September 1860, No. 5,205.

I have the honor to forward herewith for submission to Government a Plan and Estimate amounting to Rupees (1,060) one thousand and sixty, received from the Mint Master for building the Boiler and Furnace of the 12 Horse Engine lately received into the Mint, into Masonry, and for constructing a flue and chimney to the same with a view to bringing it into use.

Enclosures 3.

1 Letter from Mint Master, No. 184, dated 19th September 1860.

1 Abstract Estimate, and 1 Plan.

2. Major Orr represents* the work to be so urgent as not to admit of delay, and as the Estimate has been examined and corrected in this Office, I have to request the sanction of Government to the immediate execution of the same from the general funds at the disposal of the District Engineer Presidency, for the current year.

* Letter No. 184, dated 19th September 1860.

Transferred to the Financial Department.

(Signed) C. G. MASTER,

Dy. Secy. to Government.

27th September 1860.

No. 6. ORDER THEREON, 2nd October 1860, No. 497.

Approved and communicated to the Public Works Department in view to orders being issued for the immediate execution of the work.

(Signed) T. PYCROFT,

Chief Secretary.
