No. 13. Proceedings of the Madras Government, Public Works Department, dated 19th September 1860, No. 332.

Read the following :—

From the Collector, South Canara, dated 7th July 1860,
" Civil Auditor, " 27th idem.

The Collector of South Canara submits four applications for Superannuation pension, and recommends for gratuity a number of Peons who have been thrown out of employ by the late reduction of establishment.

2. Maugeshaya and Venkappaya servants of 45 and 22 years standing respectively, are certified to be unfit for further service. Pensions are granted to them as noted marginally. The other two are not entitled to pension under the rules, their respective periods of service in

admissible grades being only 19 years 10 months 9 days and 18 years 9 months. Looking, however, to the fact that a very slight addition would have secured to them the benefits of the pension rules, and that their total service extends over a period of more than 40 years, the Honorable the Governor in Council resolves to submit the case for the consideration of the Government of India, with the recommendation that these old servants be admitted to pension at the lower rate as a special case.

3. The Government are pleased to grant gratuities according to the list given in paragraph 5 of the Civil Auditor's letter. To Lachama, however, who is of 20 years standing, and therefore entitled to 6 months' pay, Rupees 42 will be passed.
