*Proceedings of the Madras Government, Financial Department,
30th November 1860.*

No. 63. Read the following Proceedings of Government, in the Public Department, (Separate), dated 9th November 1860, No. 412.

Read letter from W. BALMAIN, Esq., Officiating Civil Auditor, to T. PYCROFT, Esq., Chief Secretary to Government, Financial Department, Fort Saint George, dated 1st November 1860, No. 381.

With reference to the Government Order No. 448, in the Financial Department, dated the 5th September 1860, I have the honor to forward for transmission to the Supreme Government the Statement of Pensions and Gratuities for the last official quarter.

2. The last Statement forwarded included all pensions granted during the first half of the Calendar year, that is to say up to the 30th June as required by the Order then in force. The Order directing the Statement to be submitted at the end of each official quarter was received in the middle of September, and the odd month of July has been included with the second quarter August to October.

3. As the Orders of Government require that "the Returns should be sent off on the 1st day of each official quarter," Pensions or Gratuities which may have been granted since the 26th ultimo are not included, and an addition will have to be made to the present Statement if any such have been granted.

Ordered that the Statement received with the foregoing letter be forwarded to the Government of India from the Financial Department.

(True Extract.)

(Signed) L. FORBES.

Deputy Secretary to Government.

To the Financial Department, with the original Statement.

No. 64. ORDER THEREON, 30th November 1860, No. 586.

The Government observe that the Statement of Pensions and Gratuities submitted by the Civil Auditor has not been prepared in the form* prescribed in the Resolution of the Government of India, dated the 31st July last, No. 6,983, and that one important element has been omitted in it, viz., the amount of Pension or Gratuity granted. The Statement, besides, includes both Pensions and Gratuities for four months, from 1st July to October 1860, whereas separate quarterly Returns and for Pensions and Gratuities separately are required by the Supreme Government, beginning with the 1st of May.

*Quarterly Tabular Statement showing in separate columns.
I. The name of the recipient.
II. His salary.
III. Period of service.
IV. Character.
V. Amount of gratuity granted.

2. In paragraph 3 of his letter the Civil Auditor states that as the Orders of Government require that the Returns should be sent off on the 1st day of each official quarter, Pensions or Gratuities granted since the 26th ultimo are not included in his Statement. Government remark that it will be sufficient if these Returns are furnished by the Audit Office before the arrival of the first inward Steamer of the month following the close of each official quarter, to admit of their being brought down to the end of the quarter.

3. In reference to the half-yearly Statement alluded to in the 2nd paragraph, it is observed that that Statement was furnished in the old form, and was transmitted to the Secretary of State, and not to the Supreme Government. As the Government of India have in paragraph 2 of

Proceedings of the Madras Government, Financial Department,
30th November 1860.

their Resolution of the 31st July last directed that no separate Returns be sent to the Secretary of State by the local Governments direct, the Civil Auditor will discontinue forwarding to this Office any half-yearly or annual Returns for transmission to the Home Government.

4. The Statement received with the letter above recorded will be returned to the Audit Office.
