*Proceedings of the Madras Government, Financial Department,
11th December 1860.*

No. 32. Read the following Proceedings of the Madras Government, in the Public Department, (separate,) dated 3rd December 1860, No. 439.

Read the following letter from the Civil Auditor, dated 8th November 1860.

1. In their Order in the Public (separate) Department, dated 12th July, No. 213 of 1860, Government granted superannuation pensions to 9 persons who were thrown out of employ consequent on the absorption of the Gunttoor Collectorate. Medical Certificates were not considered necessary and none were submitted.

2. Of these 9 persons, Nos. 3, 4, 6 and 8, have served in admissible grades for periods exceeding 30 years. They are therefore under the Resolution of the Government of India, dated 20th September 1860, eligible for pension without producing Medical Certificates. With reference, however, to the ruling marginally noted, the grant of pensions to the 3rd May 1860. others, without Medical Certificates, required the sanction of the Supreme Government. M. Narasinga Ráw (No. 1,) had served in appointments exceeding 10 Rupees per mensem for between 29 and 30 years. He was highly spoken of by the Collector, but as he was over 56 years of age and was not likely, at his advanced time of life to obtain further employment, it was thought desirable to allow him to retire on the pension of his rank. K. Narasinga Ráw (No. 9,) could show only 18 years of *admissible* service, but as he had been in public employ for above 30 years, and his retirement was not of his own seeking, but was required on public grounds, a pension equal to one-third of his salary was granted him. These grants will now be reported for the confirmation of the Supreme Government. It will be pointed out that the carrying out of the arrangement has resulted in a saving to the State.

3. As regards the other 3 cases (Nos. 2, 5 and 7) the Collector will, without avoidable delay, cause the attendance of the parties before the Civil Surgeon in view to his stating whether he considers them still fit "for active duty." Meanwhile their pension Certificates as well as those of the persons referred to in the preceding paragraph will be held in abeyance.

No. 33. To the Secretary to the Government of India, dated Fort Saint George, 11th December 1860, No. 608.

In their Order in the Public (Separate) Department, dated 12th July, No. 213, the Government granted Superannuation Pensions to nine persons, who had been thrown out of employ consequent on the absorption of the Gunttoor Collectorate. Medical Certificates were not considered necessary, and were not submitted.

2. Of these nine persons, four had served in admissible grades for periods exceeding 30 years. They were therefore under the Resolution of the Government of India, dated 20th September 1860, eligible for Pension without producing Medical Certificates.

3. With reference however to the ruling marginally noted, the grant of Pensions to the others without Medical Certificates requires the sanction of the Supreme Government. The first of these, M. Narasinga Row, has served in appointments exceeding 10 Rupees per mensem for between 29 and 30 years. He has been highly spoken of by the Collector, but as he is over 56 years of age, and is not likely at his advanced time of life to obtain further employment, it has been thought desirable to allow him to retire on the Pension of his rank. The next, K. Narasinga Row, can show only 18 years of admissible service, but as he has been in public employ for above 30 years, and his retirement was not of his own seeking, but was required on public grounds, a Pension equal to one-third of his salary has been granted him.
