*Proceedings of the Madras Government, Financial Department,
17th December 1860.*

No. 40. Read the following letter from J. R. BOYSON, Esq., Government Solicitor, Madras, to T. PYCROFT, Esq., Chief Secretary to Government, Madras, dated 10th December 1860, No. 2,060.

1. With reference to the Proceedings of Government noted in the margin, I have the honor to report that after communication with the Accountant General and R. Vencata Vurda Charloo and further enquiry and research, I arrived at the conclusion that R. Vencata Charloo had established such a case as fairly entitled him to ask for the issue of a Duplicate Promissory Note for Sicca Rupees 2,100 in lieu of that belonging to the Estate of his deceased Father alleged to have been lost; but that inasmuch as he (R. Vencata Vurda Charloo) was altogether without property or pecuniary means (beyond the amount or value of the Duplicate Note for which he had applied), had no employ, and was in fact a pauper, it was my duty to depart from the ordinary course by requiring him to find 2 Sureties who would join him in the usual Bond of Indemnity. I therefore called upon R. Vencata Vurda Charloo to furnish me with the names of such Sureties, but did not succeed in getting them until a few days since.

2. I have now completed and herewith forward the Bond to be taken from R. Vencata Vurda Charloo and his Sureties Mambalum Moonesawmy Naidoo and Bommy Setty Vencata Lutchmiah Chetty on the issue of the Duplicate Note, should the Government of India be pleased to sanction such issue.

No. 41. To the Secretary to the Government of India, Financial Department, dated Fort Saint George, 17th December 1860, No. 615.

I am directed by the Honorable the Governor in Council to submit for the consideration of the Government of India an application from one R. Vencata Vurdacharloo, requesting to be furnished with a duplicate of a Promissory Note No. 1,359 of 1829-30, for Sicca Rupees 2,100, which is stated to have been purchased by his late father R. Dasikacharloo Braminy and to have been lost during his life time, together with a letter from the Accountant General for whose report it was referred, and a communication from the Government Solicitor enclosing a Bond of Indemnity to be executed by the applicant and his sureties on the issue of the duplicate Note, should the Government of India be pleased to sanction such issue.

2. It will be seen that the loss of the Note in question has been duly advertized, and for the third time on the 3rd July 1855, and that the Government Solicitor, after communication with the Accountant General and further enquiry and research, considers that R. Vencata Vurdacharloo has established such a case as fairly entitled him to ask for the issue of a duplicate Promissory Note.

Chief Secretary.
