*Proceedings of the Madras Government, Financial Department,
21st December 1860.*

No. 54. Read the following Despatch from the Right Honorable the Secretary of State for India, to His Excellency the Honorable the Governor in Council, Fort Saint George, dated London, 8th November 1860, No. 71.

1. Having considered in Council the undermentioned letters from your Government, I now proceed to offer the following remarks in reply thereto.

Letter, dated 15th June 1860, No. 13.

2. Under the circumstances stated by your Government, I sanction the grant of a pension of Rupees 16-8 per mensem, equal to one third salary, to Ignatio Muttu, Head Engraver in the Mint at your Presidency, upon the understanding that the gratuity of Rupees 312 which was paid to him when his services were dispensed with on the reduction of the Mint in 1836 is refunded.

Letters, dated 15th June 1860, Nos. 14 and 15.

3. Require no remarks.

Letter, dated 6th July 1860, No. 17.

4. The requisition for 1,200 tons of Copper, dated 20th January last, will be complied with in full, in accordance with the recommendation of your Government, and the Copper will be shipped so as to arrive at Madras during the current and the next calendar year 1861, as requested by the Mint Master at your Presidency.

Letter, dated 20th July 1860, No. 18.

5. I am unable to comply with your recommendation in behalf of Venkata Rau to its full extent, but, in consideration of his long and faithful service, I sanction the grant to him, as a special case, of a pension of Rupees 100 per mensem, commencing from 1st March last. The palankin allowance of Rupees 25 per mensem, conferred on Venkata Rau by your Government in 1857, may also be continued to him.

Letter, dated 10th August 1860, No. 19.

6. As it appears from these papers that Mr. Jordan is compelled to retire from the service in consequence of his sight having become permanently impaired, I sanction the grant to him of a pension equal to half of the average of his allowances for the last five years, viz., Rupees 89-8 per mensem, as recommended by your Government.

Public letter, dated 31st May 1860, No. 52.

7. I must decline to comply with the request of Mr. E. Luxa to be allowed to count his service previous to his dismissal from the Accountant General's Department in 1833, as qualifying for pension.

Public letter, dated 15th June 1860, No. 57.

8. The request of Mr. J. Mills, Manager in the Central Office, Department of Public Works, to be allowed to reckon as time qualifying for pension under the Uncovenanted Service Rules a period of twelve years and a quarter passed in the Army, cannot be complied with.

Public letter, dated 4th July 1860, No. 60.

9. I see no reason for making the case of Mr. DeSilva an exception to the rule laid down in the Despatch to the Government of India in this Department, No. 75, dated 15th August 1855, on the subject of continuous service, and must therefore decline to comply with his request to be granted a pension.

Public letter, dated 6th July 1860, No. 64.

10. The sum of 200l., the amount of the bill drawn by Mr. Collins on the Agents General for Natal, has been received from Messrs. Barnard, Jolyan, and Co.

No. 55. ORDER THEREON, 21st December 1860, No. 624.

1. The following paragraphs of the foregoing Despatch will be communicated to the Departments and Officers concerned.

2. Communicated to the Civil Pension Department with reference to the Order in that Department, dated 21st May last, No. 163.

3. Communicated to the Mint Master with reference to the Proceedings of Government, dated 5th July last, No. 331.
