*Proceedings of the Madras Government, Financial Department,
for the month of February 1860.*

No. 14. Read the following Proceedings of the Board of Revenue, dated 27th January 1860, No. 476.

Read letter from C. J. SHUBRICK, Esq., Collector of Chingleput; to the Secretary to the Board of Revenue, dated Saidapet, 11th January 1860, No. 4.

Referring to paragraph 3 of Extract from Minutes of Consultation, No. 606 of the 11th September 1858, I have the honor to report, that of the two writers therein referred to, whom I was permitted to retain on my establishment pending this report, the one on Rupees 25 has since been pensioned, and his pay appropriated to the Printing Press in proceedings of Government, No. 1209 of the 9th September last, and the other on Rupees 21 been reduced to Rupees 17-8-0, in conformity with my recommendation in paragraph 5 of my letter of the 5th August 1858, No. 240. The enclosed Statement will show at a glance the account establishment as existing previous to the introduction of the Bengal system, as proposed to be modified by Mr. Breeks, and as eventually sanctioned by Government. The total monthly reduction amounts to Rupees 90 instead of Rupees 65, and is only Rupees 17 short of the amount proposed by Mr. Breeks.

2. Under these circumstances and considering that Mr. Pelly has since been entrusted with the duty of revising all revenue establishments, as also that though the establishment of the Press may have reduced the work of copying, it has entailed that of correcting and of keeping additional sets of accounts in connection with its own work and expenditure, I trust it may be held that the present establishment is not greater than is required, and that it may in consequence be allowed to continue till otherwise altered on Mr. Pelly's recommendation.

STATEMENT shewing the reductions proposed and made in the establishment of the Collector of Chingleput consequent on the introduction of the Bengal system of accounts.
